Ponderings

Some years ago, I had a conversation with a funeral home director about the number of burials that he arranged that were not reported in the newspaper. There were no obituaries for these deaths. And there were many. The families of the person who died shared the information with other family members and friends, but there was a painful privacy about these deaths. Why the privacy? The grief may have been overwhelming, perhaps there was embarrassment. These deaths were drug-related. They were the deaths of sons and daughters brought about by a drug overdose. Understandably, family members often 'did not want to talk about it'.

I thought about that conversation recently when I was listening to news reports about the increasing number of cases of drug overdoses, especially those involving fentanyl. I asked myself the question, given that deaths due to drug overdoses are increasing, is your 'attention level' increasing? Am I paying enough attention to this national problem-----a problem that is likely impacting people in our state, in our community and our parish? Just recently there was a news report of 10 people being arrested for their alleged involvement in a drug trafficking organization that operated across Rhode Island and Southeastern Massachusetts. The arrested persons are also accused of involving a child at one point while carrying out their operations. Authorities seized 14.9 kilograms of suspected fentanyl from target locations. One kilogram has the potential to kill 500,000 people. The news article went on to report that fentanyl-related cases have been rampant in Massachusetts and Rhode Island in recent months. A spokesman for the Rhode Island Department of Health reported that about 75% of the total drug overdose deaths in the state were related to fentanyl. The DEA says that the synthetic opioid fentanyl is 50-100 times stronger than morphine.

There are two types of fentanyl: pharmaceutical fentanyl and illicitly manufactured fentanyl. Both are considered opioids. Pharmaceutical fentanyl is prescribed by doctors to treat severe pain, especially after surgery and for advanced-stage cancer. Most recent cases of fentanyl-related overdoses are linked to illicitly manufactured fentanyl, which is distributed through illegal drug markets for its heroin-like effect. It is often added to other drugs because of its extreme potency, which makes drugs cheaper, more powerful, more addictive and more dangerous. Many drug users are unaware that their drugs are laced with fentanyl.

Another article reports that our country is in the midst of a drug epidemic fueled by fentanyl which is now the leading cause of death for Americans 18-45 years of age. Between 2020-2021, approximately 79,000 people in this age category died of fentanyl. If we have loved ones in that age-group, children or grandchildren, maybe we might want to be more informed about the dangers of fentanyl-----really, the dangers of all illegal drug use. Sadly, it is only after the tragedy of a drug-overdose that we reflect on how blind we may have been to not see that 'my son' or 'my granddaughter' would ever have gotten involved with drugs.

Maybe we can all be more attentive to the physical, emotional and spiritual health of our loved ones. Have we noticed any changes in behavior? Can we ask, simply, "How are you doing?" ----and really mean it. Am I my 'brother's keeper' (sister's keeper) ----yes! Our own awareness that this is a national crisis is a good beginning. Our own awareness of what is happening in the lives of those around me----is a good next step.

When a young person dies of a drug overdose, we are left asking so many 'what if' questions. We grieve for the loss of their lives and we reach out with compassion to family and friends who experience this loss. It is estimated that 150 people die each day from drug overdoses related to fentanyl. We pray for the souls of our brothers and sisters who will die in such a tragic way this day. Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their soul and the souls of all the faithful departed, through the mercy of God, rest in peace.

While You're Away Don't Forget

If you are away this summer enjoying the beach or far-away places, please don't forget that back home in old St. Bernard's, we still have to pay our bills. If you are away and miss a few weeks of your budget contributions, please try to make them up so that we can keep going or you can use the Online Giving Option. We miss you while you're away, and we miss your generosity too!

Have you considered "On-Line" Giving?

Maybe it is time now to sign up for "On-Line Giving" or maybe it is time to review what you have been doing with your current "On-Line Giving" program. What are some of the advantages to this way of supporting the parish? Here are a few (1) It is convenient---automatic. It might just be the way that you are presently handling many other financial transactions. (2) You need not worry about a missed donation. (3) "Young People" --- of all ages---don't often use cash or checks---this is the way so many people do their financial transactions. (3) You get to keep your own record of gift giving. (4) It provides 'continuity' for the church. Regular, reliable income is helpful for the budgeting process. It helps us to pay our bills, which are always 'regular'---that is, non-stop. (5) If you are away on vacation, on business or 'in the sun for a few winter months' you are able to have a continuous, unbroken way of supporting the church. If you need any assistance in setting up an "On-Line Giving" program for yourself or would like to re-visit a present arrangement of "On-Line Giving", please contact the Parish Office.

Wedding Anniversary Celebration at the Cathedral

It will include Mass, renewal of marriage vows, a personalized certificate for each couple and a reception for the couples and their families. Bishop Thomas J. Tobin will be the main celebrant and homilist. You must register with the parish by September 11. Please call the parish office or e-mail the parish office (sbc.pa@verizon.net) if you would like to attend this special celebration.

Wanted

Additional Lectors and Extraordinary Ministers of Holy Communion. We would like to increase the number of ministers in both groups. This will help us in scheduling---and keep a rotation of ministers for these important roles. If you have been Baptized, received First Holy Communion, been Confirmed and, if married, married in the Church----and would like to serve as a lector or Eucharistic Minister, please speak with Fr. Gaffney. Training will be provided. Thank you!

Becoming a Catholic—or "making up my sacraments" Where do I begin?

Are you someone who was baptized a Catholic but have not received First Communion or Confirmation? Are you someone who was baptized in another Christian church and would like to become Catholic? Are you someone who has never been baptized? The Church has a program known by the initials, R.C.I.A. (Rite of Christian Initiation of Adults). It is a process---a series of classes---whereby you prepare to receive one or more of the following: Baptism, Holy Communion, Confirmation. After a time of preparation, you would receive these sacraments at the Easter Vigil (Holy Saturday). This celebration for adults receiving sacraments happens in Catholic churches all of the world at the Easter Vigil! Yes, you can receive these sacraments as adults! Maybe you are embarrassed because you have not received these sacraments---don't be embarrassed! Maybe you are unsure if you can 'learn what you need to know'---don't be worried---we'll help you through! Maybe you are worried about what others may think--don't worry what others might think---you are doing this to grow in your faith---to grow closer to God! Don't let any stumbling blocks get in the way! This might be the opportunity you have been waiting for! Classes will begin in the Fall. Before that time, please contact the parish office or speak with Fr. Gaffney. He can answer any questions you may have.

Remember St. Bernard Church in your will and estate planning. Thank you.
